

**Hart House at Deer Lake  
Salutes French Culinary Tradition with  
An Evening in Provence**

**For Immediate Release**

**August 20, 2008 (Vancouver, BC)** – Hart House at Deer Lake is pleased to offer an homage to French cuisine at our annual **Evening in Provence**. On **Wednesday, September 3 2008**, our guests will enjoy Provence-inspired dishes, complemented by select French wines from renowned appellations.

Our annual event celebrates Provence's local culture and dishes. Located on the sunny French Mediterranean coast, Provence is admired round the world for its fresh and flavourful food, which features bountiful countryside ingredients and daily harvests from the sea.

The evening begins with a tasting of French wines selected by our sommelier. Guests are welcome to enjoy their selections on Hart House's elegant estate, among the flower gardens by the shores of magnificent shore of Deer Lake. They may then purchase a bottle or two of their favourite wines to pair with dinner.

The menu for the evening is prepared by Hart House's Executive Chef, Dennis Peckham, who has worked in such French-inspired restaurants as Lumière, West and French Laundry. The wine tasting and dinner are accompanied by live music.

Don't miss this opportunity to enjoy and appreciate a unique taste of the Old World!
